

LIST OF ENTERPRISES

(in alphabetical order, updated to the 9th of February 2010)
(elenco approvato con decreto dirigenziale n.59 del 5.3.2007 pubblicato sul Burc n.15 del 19.3.2007)

Trade Name: A. ABETE S.r.l.

Main activities

Manufacturing and assembly of structural parts in aluminium, titanium and steel alloys for the Aerostructures and Aeroengines industry. Production of components for Defense Industry. Design, manufacturing of fixture, jigs, mold for Aeronautical Industry.

Headquarters

City: Nola (NA)

Address: Zona Industriale Nola- Marigliano

Tel. +39 081 8210821 **Fax** +39 081 3151142

E-mail address: info@abete.net

Web site: www.abete.net

Date of foundation:1960

Consortium Partnership:CHAIN S.c.a.r.l.

Trade Name: A.De.Sy. Consulting S.r.l.

Main activities

Consultant for aeronautical design systems , approval and products certification according to EASA procedures (Part 21) and specifications (CS-23, 25, E, VLA, ect.).

Headquarters

City: Scisciano (NA)

Address: Corso Umberto I° n. 65

Tel. +39 081 6588940 **Fax** +39 081 6588954

E-mail address: adesyconsulting@gmail.com

Web site:

Date of foundation:2008

Consortium Partnership:None

Trade Name: ADVANCED LOGISTICS FOR AEROSPACE S.r.l. - A.L.A.

Main activities

Service provider and distribution for aerospace industries. A.L.A. Is a merging company between A.I.P. Italia s.r.l. and AVIO Import s.p.a. .

Headquarters

City: Pozzuoli (NA)

Address: via Provinciale Pianura n. 2/4 - 80078

Tel. +39 081 3036311 **Fax** +39 081 3032651

E-mail address: info@alalogistics.com ; lucia.muraro@alalogistic.com

Web site: www.alalogistics.com

Date of foundation:2009

Consortium Partnership:None

Trade Name:AERMEC SUD Sas di Giannetti Aldo

Main activities

Manufacturing and Maintenance of Landing Gear system, hydraulic system, structural system, electromechanics system, fuel and oil tanks for aircraft and helicopters. nondestructive controls. Manufacturing and Maintenance of Pilot and passenger Crashworthy seat for aircraft and helicopters. Overhaul of Inertia reel. Assembly of composite structures.

Headquarters

City: Naples

Address: Via Benedetto Brin, 5/A

Tel. +39 081 7340869 **Fax:** +39 081 7340293

E-mail address: contact@aermecsud.it

Web site:www.aermecsud.it

Date of foundation:1979

Consortium Partnership: ALI S.c.a.r.l. and Polo Hitech Naples

Trade Name: AEROPORTO ORESTE SALOMONE S.c.r.l.

Main activities

Capua airport management.

Headquarters

City: Capua (CE)

Address: piazza dei Giudici n. 1-

Tel.: +39 0823 560246 **Fax:**+39 0823 560245

E-mail address: cantrop@libero.it

Web site: www.orestesalomone.it

Date of foundation:2008

Consortium Partnership:None

Trade Name: AEROSOFT S.p.A.

Main activities

Aerosoft is group of companies with 150 employees and locations in Italy, Europe (France and Turkey) and USA (Seattle, WA).

Core Business: Design, industrialization and production support; Thermo-structural, static, dynamic and stress analysis, Analysis and Computational fluid dynamics (CFD), Part-program realization of manufacturing and testing prototypes (CAM), Industrial Research and pre-competitive development.

Headquarters

City: Naples

Address: Centro direzionale Isola E/7 - 80143

Tel.: +39 081 2128911 **Fax:**+39 081 2128928

E-mail address : www.aerosoft.it

Web site: marketing@aerosoft.it

Date of foundation:1992

Consortium Partnership: None

Trade Name: AEROSPACE LABORATORY OR INNOVATIVE COMPONENTS - A.L.I.- S.c.a.r.l (Consortium)

Main activities

A.L.I. Aerospace Laboratory for Innovative Components is a no-profit consortium among Campania Region companies working in the fields of design, engineering, prototyping and manufacturing of aerospace innovative components, ground-segment for remote control of scientific/tecnological payloads operating on board space platforms.

Headquarter

City: Naples

Address: Via Emanuele Gianturco n. 31

Tel.: +39 081 6042158

Fax:+39 081 6042572

E-mail address : www.aliscarl.it

Web site:

Date of foundation:2006

Consortium Partnership: None

Trade Name: AIP ITALIA S.r.l.

Main activities

Distributor for electrical and standard parts (fasteners, connectors, etc) for the Aerospace Industry. From 2001, AIP ITALIA provides to Alenia Aeronautica (Southern Plants) any logistic and purchasing support concerning standard parts for more than 12 civil and military programs (Boeing, Airbus, EFA, C27-J, etc.). AIP ITALIA is also Boeing (D1-4426) and Airbus qualified.

Headquarters

City: Pozzuoli (NA)

Address: via Provinciale Pianura, 2 Lotto 14 - 80078

Tel.: +39 081 3036311

Fax:+39 081 3032651

E-mail address: info@aipitalia.it; lucia.muraro@aipitalia.com

Web site: www.aipitalia.it

Date of foundation:1995

Consortium Partnership:None

Trade Name: ALENIA AERONAUTICA S.p.A.

Main activities

Research, projecting, industrialization, manufacturing and commercialization of aircrafts and loose parts.

Headquarters_

City: Pomigliano d'Arco (NA) cap.80038

Address: V.le dell'Aeronautica snc -

Tel.: +39 081 8871111

Fax:+39 081 8873855

E-mail address:

Web site: www.alenia-aeronautica.it

Date of foundation:1969 (Aeritalia)

Consortium Partnership:Panaria, GIE ATR, Eurofighter

Trade Name: ALENIA AERONAVALI S.p.A.

Main activities

Maintenance, modification and parts manufacturing of commercial and military aircrafts.

Headquarters

City: Napoli (NA)

Address: Via Nuovo Tempio, 20 - 80144

Tel.: +39 081 7370211

Fax:+39 081 7365516

E-mail address: mkt@aeronavali.com

Web site: www.aeronavali.com

Date of foundation:1947

Consortium Partnership: IAMCO

Trade Name: ALTRAN Italia S.p.A.

Main activities

Tecnologies and innovation consulting in the fields: Aeronautics, Aerospace, Defence; Telecommunication, Automotive, Transports, etc..

Headquarters

City: Naples

Address: via S. Lucia, 15 - 80132

Tel.: +39 081 2128720

Fax: +39 081 2128722

E-mail address: reception.na@altran.it

Web site: www.altran.it

Date of foundation:1982

Consortium Partnership: None

Trade Name: A.R.M. AIRCRAFT REPAIR & MAINTENANCE S.p.A.

Main activities

Precision Machining and sheet metal fabrication, according to customers' drawings. Aircraft components assembling. Logistic And Quality.

Headquarters

City: Pomigliano D'Arco

Address: Via Emilia snc

Tel.: +39 081 8844580

Fax:+39 081 3291966

E-mail address: arm@armspa.it

Web site: www.armspa.it

Date of foundation:September 2001

Consortium Partnership: None

Trade Name: ARTS S.r.l.

Main activities

ARTS is structured in two teams: System Production and services supply: the first is responsible for engineering and development of Integrated Systems on Customer Requirement; the latter assures consultant, training and manpower about data acquisitions and signal analysis.

ARTS has realized many integrated solutions in a wide range of industrial fields as **aerospace, automotive and electronic equipment, energy power** as:

- test benches for aeronautical (such as JT8 or PW 120) and rocket engine (zefiro);
- automatic test equipment for steering test, real-time data acquisition for suspension device;
- software for communication testing between telecom modems and quality testing of submarine cables;
- development for an ash conveyor (thermoelectric plant) Remote monitoring software for a rubbish burning plant.

Headquarters

City: Naples

Address: Corso Arnaldo Lucci, 96

Tel.: +39 081 5534168

Fax: +39 081 5534168

E-mail address: marketing@arts.it

Web site: www.arts.it

Date of foundation:1994

Consortium Partnership: Technova Scral

Trade Name: ASTRA S.r.l.

Main activities

Design and manufacture of heat flux and temperature sensors and probes for aerospace applications (ground and space segment). Design and manufacture of measuring probes for aerospace applications (velocity, total enthalpy and so on). Engineering services for aerospace market (CFD, design, stress, system).

Headquarters

City: Napoli (NA)

Address: via Arte della Lana 36

Tel.: +39 081 5634775

Fax:+39 081 5634775

E-mail address: astraspace@hotmail.it

Web site: www.astraspace.it

Date of foundation:2005

Consortium Partnership: None

Trade Name: ASTROINDUSTRY-AEROSPACE TREATMENT AND COMPONENTS S.r.l.

Main activities

Precision machining in the aerospace, aero-naval, transport and utilities sectors. The fields of activity have been developed in the areas of components and industrial spare parts

Headquarters

City: Napoli (NA)

Address: via Antiniana, 53

Tel.: +39 081 5539598

Fax:+39 081 19565256

E-mail address: info@astroindustry.com

Web site: www.astroindustry.com

Date of foundation:2006

Consortium Partnership: Polo Hitech Napoli, and ALI Scarl

Trade Name: ATITECH S.P.A.

Main activities

Narrow body aircraft heavy maintenance, components maintenance, NDT, technical training and engineering services.

Headquarters

City: Napoli (NA)

Address: Aeroporto Capodichino - 80144 Napoli

Tel.:+39 081 7094011

Fax +39 081 7094600

E-mail address: salvatore.russo@atitech.it

Web site: www.atitech.it

Date of foundation:1989

Consortium Partnership: Consaer

Trade Name: A.T.M. S.r.l.

Main activities

Design and manufacturing of components, tools, gauges for processing and control of mechanical components for aerospace industry (Engines and structure). Design and manufacturing of plastic and sintering moulds. Development of special testing fixtures and research equipments.

Headquarters

City: Gricignano di Aversa (CE)

Address: Zona industriale Aversa Nord Stab. 15 - 81031

Tel.: +39 081 3860003

Fax: +39 081 3860004

E-mail address:francesco.noviello@atmsrl.com

Web site: www.atmsrl.com

Date of foundation:1974

Consortium Partnership: None

Trade Name: Aviation Business Consultants International - ABC-S.r.l.

Main activities

Aviation Business Consultants International S.r.l. (ABC) is a company providing qualified engineering and managerial services to the aviation industry, either OEMs and airlines.

Headquarters

City: Naples

Address: via S. Giacomo dei Capri n. 82

Tel.: +39 081 5467920

Fax: +39 081 5467920

E-mail address:marketing@abc-int.it; ceo@abc-int.it

Web site: www.abc-int.it

Date of foundation:2008

Consortium Partnership: None

Trade Name: AVIO S.p.A.

Main activities

a) Product Centre for the design and manufacturing of combustors, afterburners and structural components

b) The Civil Maintenance Repair and overhaul division carries out the MR&O for commercial engines.

c) Product Centre for the design and manufacture of turbine airfoils. Production of rotor blades and stator vanes.

Headquarters

City:

Pomigliano d'Arco (NA) Viale Impero angolo Viale Alfa - 80038

Tel.:

+39 081 3161111

Fax:

+39 081 3163716

E-mail address

a) mauzio.lascar@aviogroup.com

b) armando.murolo@aviogroup.com

c) giovanni.verrazzo@aviogroup.com

Web site: www.aviogroup.it

Date of foundation:1908

Consortium Partnership: Eurojet (Munich), (Munich), CIRA

Trade Name: AVIOSUD S.r.l.

Main activities,

Aeronautics equipment; assemblies; stamps; making of the plate details; assemblies of subsets; soldering TIG; superficial treatments and painting.

Industrialization through activities of production engineering, (material test; methods planning; elaboration data).

Headquarters

City: Pomigliano d'Arco (NA)

Address: via Pomigliano Santa Chiara, 1

Tel.: +39 081 5309500/6556

Fax: +39 081 5309500

E-mail address: mail@aviosud.it

Web site: www.aviosud.it

Date of foundation:2003

Consortium Partnership: Processi Speciali S.r.l.

Trade Name: AXITUDE S.r.l.

Main activities

Axitude is a newly formed OEM supplier of avionic equipment. Axitude's mission is to offer affordable inertial sensor system with the best available and cost effective technologies for general aviation, land and marine applications and to offer tailored applications to easily interface its products with primary/multifunction displays, special devices and systems.

Headquarters

City: Casoria (NA)

Address: Via Giovanni Pascoli, 7 - 80026

Tel.: +39 081 5918132 Fax :+39 081 2507172

E-mail address: info@axitude-avionics.com ; info@axitude.it

Web site: www.axitude-avionics.com; www.axitude.it

Date of foundation:2004

Consortium Partnership: SAM (Società Aerospaziale Mediterranea) S.c.r.l.; AIAD

Trade Name: AZETA INFOTEC S.r.l.

Main activities

Training and Consulting for the aerospace sector, in particular on legislation, quality, NDT and safety issues

Headquarters

City: Napoli

Address: Via dei Guantai Nuovi, 25-80133

Tel.: +39 335-6185656/335-1229500 Fax: +39 081 5510818

E-mail address: info@azetainfotec.it

Web site:www.azetainfotec.it

Date of foundation:1997

Consortium Partnership: None

Trade Name: BONETTI AIRCRAFT SUPPORTS S.p.A.

Main activities

Approved souce for the supply components, raw materials and services in aerospace.

Headquarters

City: Naples

Address: Centro Direzionale di Napoli (CdN) Is. F/3 - 80143

Tel.: +39 081 7347509 Fax: +39 081 7347518

E-mail address: [ainnamorati@bonettiaircraft.it](mailto:aিন্নamorati@bonettiaircraft.it)

Web site: www.bonettigroup.it

Date of foundation:1951

Consortium Partnership: AERLOG

Trade Name: BLUE ENGINEERING S.r.l.

Main activities

Blue Engineering controls a group of companies with 120 employees. Companies and subsidiaries are located in Italy (Turin, Naple & Pistoia), France (St. Etienne & Paris), Jordan (Amman), Turkey (Bursa). Core Business: CAE/CAD, Engineering&Design, Factory Automation, Simulation, Software development, Industrial Research and Pre-competitive development.

CAE Capabilities: static&dynamic analysis, thermal diffusion, crash/impact analysis, kinematic&multi-body dynamics, computational fluid dynamics (CFD).

CAD Capabilities: feasibility, design, 2D&3D drawings, cost analysis, industrialization.

Factory Automation Capabilities: production management, Warehouse management, Trasportation management, Check-out Automation, Work advance tracking.

Headquarters

City: Napoli

Address: Via Coroglio, 57

<http://www.campaniaerospace.it>

Tel.: +39 081 7352503 **Fax:** +39 081 7352433
E-mail address: d.lazzeri@blue-group.it
Web site: www.blue-group.it
Date of foundation: 1993
Consortium Partnership: Newco Rail

Trade Name: CAD SOLUTION PROVIDER S.r.l.

Main activities

Cad Solution Provider is dealer of Software Catia, Delmia and Enovia;
Provider of training services to aeronautics company;
Provider of process simulation services and visualization system for aerospace sector;
processes methodologies for testing, reverse engineering and maintenance for the aerospace sector.

Headquarters

City: Napoli

Address: Centro Direzionale Isola E4 - cap 80143

Tel.: +39 0735 595014 **Fax:** +39 0735 576064 7352433

E-mail address: piero.bastiani@cspweb.it; roberto.ruggieri@cspweb.it

Web site: www.cpsweb.it

Date of foundation: 1997

Consortium Partnership: None

Trade Name: CALTEC S.c.r.l. (Consortium)

Main activities

Advice services to the companies of the consortium.

Headquarters

City: Lacedonia (AV)

Address: Area Industriale Calaggio - 83046

Tel.: +39 0827 85938 **Fax:** +39 0827 846828

E-mail address

Web site

Date of foundation: 2007

Consortium Partnership: None

Trade Name: C.A.M.E.P. S.r.l.

Main activities

Expert in the experimental sector, C.A.M.E.P. is an ideal partner in the manufacturing of mechanic details.
Main activities: manufacturing of motor critical details (EFA, RE131, SPEU, RE220 Etc.); design and manufacturing of equipments and calibres. Main specialized sectors: welding TIG dpt, department for the amount carried over of Plasma to thread (accredited by AVIO), and non destructive controls dpt (e.g. FPI, ultrasonic and magnetoscopy).

C.A.M.E.P. has got a Metrology Room for testing and is certified by Nadcap for the Aerospace Quality Systems (Expiration Date: 2009, January 31st) for the Welding/Brazing and the Fusion Welding (Expiration Date: 2008, January 31st). ISO 9001 certified.

Headquarters

City: Cardito (NA)

Address: via Milano n.35 - 80024

Tel.: +39 081 8313097 **Fax:** +39 081 8307082

E-mail address: camepsrl@hotmail.com

Web site: www.camepsrl.com

Date of foundation: 1973

Consortium Partnership: None

Trade Name: CARAFA G.&C. Snc

Main activities

Design, Machining, Precision Metallic Sheet, Manufacturing of Dies and Fixtures, Steel Sheet Forming, Eletromechanical Assembly

Headquarters

City: Pozzuoli (NA)

Address: via Lago d'Averno 39

Tel.: +39 081 8664591 **Fax:** +39 081 8663919

E-mail address: luca.carafa@carafa.it

Web site: www.carafa.it

Date of foundation:1969

Consortium Partnership: In.Tec.Na.

Trade Name: CARLO GAVAZZI SPACE S.p.A.

Main activities

The company develops satellites for: science, earth observation, technology demonstration and telecommunications missions, based on platforms ranging from 30 up to 800 kg for LEO orbits and supports the customers from design to post-launch operations.

Other fields of activities are: scientific payloads for experiments in space, unmanned space vehicle (USV of Cira), ground infrastructures, earth observation and applications. CGS main customers are space agencies (e.g. European Space Agency ESA, Italian Space Agency ASI) and commercial customers.

Headquarters

City: Benevento)

Address: Via Tiengo snc - 82100

City: San Giorgio del Sannio (BN)

Address: Strada Statale Appia 1 - 82018

Tel.: +39 0824 481711 **Fax:** +39 0824 481730

E-mail address: cgs@cgspace.it

Web site: www.cgspace.it

Date of foundation:1981

Consortium Partnership: Antares Consortium (S. Giorgio del Sannio); SAM (Società Aerospaziale Mediterranea) S.c.r.l.

Trade Name: CENTRO SVILUPPO MATERIALI S.p.A.

Main activities

Industrial process control, System design, simulation software design and development.

Headquarters

City: Naples

Address: via E. Gianturco 31/C

Tel.: +39 081 19978901 **Fax:** +39 081 19978908

E-mail address: d.pocci@c-s-m.it

Web site: www.c-s-m.it

Date of foundation:2003

Consortium Partnership: None

Trade Name: CER.TO S.u.r.l.

Main activities

Cer.To is one of the few Certification Bodies to be accredited by SINCERT, under the AIAD (Aerospace, Defense and Safety Italian Companies) surveillance, for the Aerospace Sector - EN 9100 (Aerospace Quality Management System) standard. More than that, by SAI Global accreditations as a group, Cer.to is also capable to satisfy further Certification requests for the EN 9110 (maintaining activities) and the EN 9120 (for suppliers and storagers).The 9100 QMS series were drew up in Europe and then accepted and approved on international levels by IAQG (International Aerospace Quality Group). These last few years,

the Cer.To professionals have developed a specific series of methods for the Aerospace sector. CerTo has also developed and focused its attention on training, mainly in the fields of quality, environment, safety and ethical management systems. More than that, CerTo also offers a range of services that include assessment of conformity and specialist technical evaluation of products, systems, equipment and software, and inspection and control and technical-organisational activities designed to improve management systems, processes, machinery, equipment, projects, products, services and human resources

Headquarters

City: Naples

Address: Centro Direzionale Isola F3 80143

Tel.: +39 081 7347805

Fax: +39 081 7347805

E-mail address: certo.sud@certo.it

Web site: www.certo.it

Date of foundation:1993

Consortium Partnership: None

Trade Name: CHAIN S.c.a.r.l.

Main activities

CHAIN is a consortium that was constituted by some aerospace industries to promote the region networking between helicopters and airplanes manufacturer together with suppliers to face world market.

List of companies: A. Abete Srl, Aviosud Srl, HTT High Tech Tools Srl, FoxMec Srl, K4A Srl, Laer Srl, MTA Srl, Teknosud Srl, Omasud Spa, Tecnomodelli Srl, Sover Srl; Sia Srl, Wind Srl, T.M. Trattamento Metalli Srl.

Headquarters

City: Naples

Address: via Vicinale Visconti, 77

Tel.: +39 081 5963748

Fax: +39 081 5964969

E-mail address: d.scalella@chainscarl.it - dario.scalella@k4a.it

Web site: www.chainscarl.it

Date of foundation:

Consortium Partnership: None

Trade Name: CIMA S.r.l.

Main activities

Design, manufacturing and assembly of structural parts in aluminium, titanium and steel alloy. Virtual validation (FEM, CFD, CAE), casting7injection simulation, CAM programming for numerical control machines. Design and manufacturing of assembly tools, test tools, jigs, design FMEA, rocess FMEA. Handbooks, technical documentation.

Headquarters

City: Acerra (NA)

Address: via Tevre 3

Tel.: +39 081 5209954

Fax: +39 081 3192523

E-mail address: info@cima-na.it

Web site: www.cima-na.it

Date of foundation:2003

Consortium Partnership: None

Trade Name: CIRA - Italian Aerospace Research Center

Main activities

Research, development and testing services in the fields of Aeronautics and Space. Main competences: Icing Technology, Structures & Materials, Space technologies, Vibration & Acoustics, ICT, Flight System

Headquarters

City: Capua (CE)

Address: via Maiorise, 1

Tel.: +39 0823 623001

Fax: +39 0823 623335

Date of foundation:1984
Consortium Partnership: None

Trade Name: CMD Costruzioni Motori Diesel S.r.l.

Main activities

Design, development, production of diesel engine for aviation. Machining of parts high precision.

Headquarters

City: San Nicola La Strada (CE)

Address: S.S. 87 Km. 23,300

Tel.: +39 0823 424055 **Fax:** +39 0823 452103

E-mail address: luciano.soviero@cmdengine.com

Web site: www.cmdengine.com

Date of foundation:1991

Consortium Partnership: AIAD

Trade Name: Consortium INN-FOR

Main activities

The Consortium now aggregates 2 companies operating also in aerospace sector. It care development of programs and training.

Headquarters

City: Caserta

Address: via Ponteselice

Tel.: +39 0823 456190 **Fax:** +39 0823 456190

E-mail address: g.grimal@virgilio.it

Web site:

Date of foundation:2008

Consortium Partnership: None

Trade Name: CONSORZIO TECHNAPOLI

Main activities

Telematic services supply; intellectual property promotion and protection (Patents and Trade Marks); Research, innovation, training and technology transfer projects' writing and management, as well as industrial development plans editing; Common field companies networking.

Headquarters

City: Pozzuoli (NA)

Address: via A. Olivetti 1

Tel.: +39 081 5255182/83 **Fax:** +39 081 5255184

E-mail address: constec@technapoli.it

Web site: www.technapoli.it

Date of foundation:1992

Consortium Partnership: ALLI s.c.a.r.l.; Ecare

Trade Name: CONSULTING GROUP S.r.l.

Main activities

Consulting for aerial transportation company for certification: UNI EN ISO 9001:2000, UNI EN 9100:2005, EASA Part 145, JAR OPS, D.L.vo 18/99, ENAC APT 02 A, UNI EN ISO 14000:2004. Training for aerial transportation company for: EASA regulation, ICAO regulation, ENAC regulation, Safety, Handling operation, Ramp operation, Safety and quality audit, security. Consulting for airport and heliport management company for: Locations of new airport, Master plan and expansion, Capacity evaluation, landside planning, traffic demand, Market analysis, Staff planning, Cost/benefit analysis, Safety management system, Operations and procedures issue, airport regulations issue, Emergency plan issue, airport security plan issue.

Headquarters

<http://www.campaniaaerospace.it>

City: Naples
Address: via Andrea Vaccaro, 1
Tel.: +39 081 0784643 **Fax:** +39 081 07846430
E-mail address: info@consultinggroup.it
Web site: www.consultinggroup.it
Date of foundation:2006
Consortium Partnership: None

Trade Name: COPROMA SUD CND S.r.l.

Main activities

Non Destructive Testings: quality control on aerospace components by means of the following methods:
Radiography on metal and composit parts - Fluorescent Penetrant Testing - Magnetic Particle Inspection -
Ultrasonic inspection on metal and composit parts - Eddy current - Infrared Thermography - Visual Testing
Main Customer Qualifications : Avio Propulsioni aerospaziali - Agusta Westland - Volvo Aero - Piaggio Aero -
Ema Europea Microfusioni Aerospaziali - MBDA.

Our Quality System is certified in according to EN 9100:2005

Technical Staff is Qualified 2° and 3° Level in according to EN 4179

Headquarters

City: Casoria (NA)
Address: via Risorgimento 10
Tel.: +39 081 5734814 **Fax:** +39 081 7312081
E-mail address: www.copromasud.it
Web site: info@copromasud.it
Date of foundation:1976
Consortium Partnership: In.Tec.Na

Trade Name: CO.RI.S.T.A. Consortium of Research on Advanced Remote Sensing Systems

Main activities

Design of innovate remote sensing system that can be installed on small satellites or air vehicles. Design and prototypes of optical and microwawe system for pollution monitoring.

Headquarters

City: Naples
Address: v.le Kennedy, 5
Tel.: +39 081 5935101 **Fax:** +39 081 5933576
E-mail address: amesposi@unina.it
Web site: www.corista.unina.it
Date of foundation:1988
Consortium Partnership: None

Trade Name: COSTRUZIONI AERONAUTICHE TECNAM S.r.l.

Main activities

General Aviation: Projecting, prototype realization, industrialization and manufacturing of light and ultralight aircrafts.

Commercial Aviation: Manufacturing of spare parts and segments.

Headquarters

City:Casoria (NA)
Address: 1° Trav. Via G. Pascoli - 80026

Trade Name: EURO.SOFT S.r.l.

Main activities

Euro.Soft operates in the ICT sector, particularly in the realization of technological systems and management/technical consulting. The Company is certificated ISO 9001:2000 for "design development and supply of software and telecontrol systems, installation and maintenance of telecontrol, data management and transmission plants".

Activity: development/integration of information technologies in the following sectors:

- Aerospace software applications and research projects
- Hydraulic plants monitoring, telecontrol and telemanagement systems
- Intelligence Business Application, DWH, firms management.
- Industrial & civilian automation plants supervision and management.
- WEB Technology & CRM based applications.
- GIS and remote sensing applications.
- Research activity and technical, economic, organizational consulting.

Trade Name: ILMAS SUD S.p.A.

Main activities

Founded in 1988, Ilmas Sud is a manufacturing company which operates in the aeronautical and aerospace industry. Highly specialised in technical and technological terms, the company is geared to respond to the demands of the international market, and covers the entire production cycle. In its production plant, which boasts an area of 3400 square metres, all the assembly operations are carried out in dedicated areas.

The company possesses technical plant, surface treatment facilities for manufacturing tools and numerical control programmes used in the production process, which it supplies as finished products.

Today the Ilmas Group is a highly specialized manufacturer in the aeronautical and aerospace industry. Ilmas Sud is part of the IMA consortium and is currently participating, on a 'risk-sharing' basis, in important programmes together with other leading companies in the sector.

It also has many technical partnerships with companies, research institutes and Italian and foreign universities, concerning research, development and production activities.

Consortium Partnership: SAM S.c.r.l.

Trade Name: MG S.r.l.

Main activities

MG Service has rapidly grown to be a popular choice by the aerospace industry as an integrated supplier of cutting tools as we possess the unique ability to supply new cutting tools and special cutting tools that we buy from primary manufacturing in the USA. In addition to supplying cutting tools, MG has developed a significant base of customers where we provide technical assistance to improve their productivity. This allows MG to be a complete and competitive supplier of routine and special tools to the customers we serve.

Trade Name: NETGROUP S.r.l.

Main activities

Innovation is at the basis of the strategy of Netgroup, which with time has gradually - but with the right timeliness - succeeded in mastering the new tools and in proposing new services and new highly innovative and competitive solutions with these tools.

Netgroup operates in the field of the ICT and is specialized in the creation of solutions web-based.

In particular, in the aeronautic field, Netgroup supplies useful solutions to the monitoring of the material of construction and tools based on technology RIFD (control temperature of exposure and residual life).

Moreover Netgroup plans, develops and maintain vertical web applications.

Trade Name: TEKNOSUD GROUP S.c.a.r.l.

Main activities

TEKNOSUD GROUP is a CONSORTIUM composed of four companies: TEKNOSUD, TS ENGINEERING, TS

TECNOLOGIE and TEKNOSUD COMPOSITI that currently employs 120 individuals. Its main activities are developed through partnership and subcontracting agreements with major companies who operate in the aerospace, aviation, automotive, rail and marine sectors. Through these activities, the group has acquired a broad range of experience in design and structural analysis (i.e. static, dynamic, crash and fluid dynamics) of mechanical parts. In recent years, particular attention has been given to the design and analysis of composite materials. Within TS GROUP, there are engineers who have extensive experience (more than 30 years) in airframe structures (technical field and management) as well as widespread experience in the design and fabrication of primary structures in carbon epoxy.

Consortium Partnership: Consorzio CHAIN

Trade Name: TESI TECNOLOGIE E SERVIZI INNOVATIVI S.r.l.

Main activities

Tesi produces sheet metal components and numerical control milling components for aircraft structures of the main world aeronautical builders. The company has the facilities and the know-how to carry-out the whole production process from the raw materials up to the final component or sub assembly "ready to fly" including heat treatments and surface protection treatments. The technical know-how allows the company to cooperate with the customer from the design up to the development of tools and routings.

Headquarters

City Cercola (NA)

Address Via Censi dell'Arco, 38 - 80040

Tel.+39 081 5550593

Consortium Partnership: Consorzio Aerocampania

Trade Name: TEST - TECHNOLOGY ENVIROMENT SAFETY TRANSPORT S.c.a.r.l.

Main activities

Innovation of aerospace structural design. Qualification and certification:

Static and fatigue structural testing of full-scale large vehicles components; Virtual Reality Centre;

Noise and vibration laboratory.

Innovation for commercial and general aviation:

Flight parameters characterization laboratory; Ultra light airplane G97-Spotter; On-board flight parameters Acquisition System and differential GPS; Ground Data Acquisition Station; Flight Simulator (Six Degree of freedom)

Headquarters
